RE: Development Award for the project entitled "**Cellulose Insulation**"

Dear MTI:

This letter represents a commitment by the University of Maine to support the proposed Technology Transfer MTI Development Award for the project entitled "Cellulose Insulation" in collaboration with Green Comfort Safe, Inc. and Zeomatrix, LLC.

Green Comfort Safe, Inc. will provide \$57,860 of in-kind support and \$42,000 in cash support. Zeomatrix, LLC will provide \$5,420 of in-kind support. MTI funds will allow UMaine to provide personnel and equipment carry out the work on this project. UMaine agrees to abide by MTI policies and existing agreements regarding patents, payback provisions, and economic impact for the State of Maine.

Sincerely,

A handwritten signature in black ink, appearing to read 'James S. Ward IV' with a small flourish at the end.

James S. Ward IV  
Assistant Vice President
